St. Francis High School, Nashik

H.S.C - 2018

BYK College of Commerce, Nashik

Bachelor of Computer Applications (B.C.A) - 2021

KVN Naik College, Nashik

PROFESSIONAL EXPERIENCE

24X7 Geeks Solutions Pvt Ltd - L1 Support Engineer	Dec 2021 - Mar 2022
24X7 Geeks Solutions Pvt Ltd - L2 System Administrator	Apr 2022 - Mar 2024
24X7 Geeks Solutions Pvt Ltd - L3 System Administrator	Mar 2024 - Jul 2025

- Managed and optimized 400+ Linux and Windows servers ensuring uptime, security, and performance.
- Installed, upgraded, and configured hosting panels including cPanel/WHM, DirectAdmin, and Plesk.
- Troubleshot complex incidents including server load issues, disk failures, database corruption, and service downtime.
- Executed end-to-end migrations with a 99% success rate—covering shared, VPS, reseller, and dedicated environments.
- Performed security hardening: malware cleanup, brute-force mitigation, firewall tuning, and spam control.
- Delivered front-line support for hosting customers, resolving cPanel, WordPress, and basic server issues.
- Assisted with OS upgrades and server patching across multiple Linux distributions.
- Performed manual and automated migrations using SSH, rsync, SCP, FTP, and panel transfer tools.
- Resolved issues related to DNS, SSL, email delivery, database errors, and website downtime.
- Proficient in handling post-migration issues and ensuring data integrity.
- Ensured quick and professional customer handling while maintaining high ticket resolution quality.
- Reduced repetitive escalations by creating detailed SOPs and mentoring L1/L2 engineers.

SKILLS
